Criminal Revision No. 608 of 2001
(Old No. 1483/1988)

Hon'ble Irshad Hussain, J.

None appears on behalf of the revisionist despite service of notice. Heard A.G.A. and perused the copy of the impugned judgment. The revisionist was found carrying two liters of liquor without license and the prosecution version was proved by the evidence of the Excise Inspector. The revisionist was sentenced to pay a fine of KRs.500/- by the learned Chief Judicial Magistrate, Pauri. Against the judgment dated 30.3.1988 appeal was preferred which got to be dismissed on 11.7.1988 after perusal of the material on record. Considering this, it is not a fit case for admitting the revision against the impugned judgment which is just and proper and therefore, the same is dismissed. Consign.
